**SARATOGA COUNTY PUBLIC HEALTH TO HOLD  
LIMITED H1N1 VACCINE CLINICS**

Saratoga County Public Health has received a small allocation of H1N1 influenza vaccine.  
This allocation consists of the following:

**Flumist** is licensed for healthy people ages 2 – 49 because it contains the weakened live influenza virus. The following categories of people are eligible for the nasal H1N1 mist:

- Healthy people up to the age of 49 who work in health care or are certified emergency medical services personnel.
- Healthy people ages 2 - 49.
- Healthy people up to the age of 49 who live with or care for an infant younger than 6 months of age.

**Injectable H1N1 vaccine with preservative (Thimerosal)**. The following categories of people would be eligible for the injectable H1N1 vaccine:

- Pregnant women (**Due to the current supply issues, this vaccine, with the preservative Thimerosal, can be administered to pregnant women. Check with your doctor**).

Press Release – H1N1 Vaccine Clinics  
November 5, 2009  
Page two

- People who live with or care for infants younger than 6 months of age, who cannot get the mist.
- Health care and emergency medical personnel.
- Anyone 6 months of age to 24 years.

Due to the limited supply of vaccine, clinics will be held for the above listed priority groups, BY APPOINTMENT ONLY, according to the schedule below. PLEASE CALL 584-7460 FOR AN APPOINTMENT.

Clinics will be held at: Saratoga County Public Health  
31 Woodlawn Avenue  
Saratoga Springs, New York 12866

[illegible]

**November 13, 2009 - 9:00 a.m. - 12:00 noon**  
**1:30 p.m. - 4:00 p.m.**

We will set up additional clinics as more vaccine supply becomes available. If you have further questions, you may contact Public Health at 584-7460.
